

Participants Needed

We will be interviewing Asian immigrant LGBTQ+ young adults to learn about their life experiences and perspectives on health and social support services

To participate, you must:

- Be a first or second-generation immigrant of East, Southeast, or South Asian descent
- Identify as LGBTQ+
- Be 18-25 years old
- Speak English

All the information you provide in a 1.5-2 hour interview will be thoroughly reviewed to remove any identifying information

You will be compensated \$25 for your participation in the study
